Your committee needs you!

200 artists, 60 different venues spread across the length and breadth of our wonderful county - Derbyshire Open Arts 2024 will be our 18th great event. But we need you to ensure that 2025 will be the 19th! Our friendly, supportive and hands-on committee is in need of new members to keep our event on the road. You don't need to be an artist, just someone interested in the arts and with a passion for sharing their enthusiasm with others. It's a voluntary role but hugely satisfying.

And this year it's time for me to hand on the role of Chair to someone else. I've thoroughly enjoyed leading a brilliant committee for the past three years, but we are now looking for a new Chair to continue making our 19th open arts event even bigger and better. Working alongside the existing committee, the Chair needs energy, a passion for art and some experience of leadership skills. Most importantly, they need to believe in the vision of Derbyshire Open Arts as the best open arts event in our great county. *Pete Singer*

To join the committee, or discuss the role of Chair, please email us at [info@derbyshireopenarts.co.uk](mailto:info@derbyshireopenarts.co.uk) for a discussion. **We need to hear from you!**
